Fernando Martín-Villena Will Participate in the Final of the 3 Minute Thesis Contest

14/03/2022

Fernando will have to explain his research in 3 minutes under the title "Becoming bye-lingual opens doors". His main focus is to explore the (in)stability of the L1 in instructed and immersed L1 Spanish-L2 English late bilinguals.

The contest will be broadcasted online via Youtube (Tuesday 15th March 2022, 17:00 Spanish time) and it will be a great opportunity to become familiar with current research from a variety of fields which is presented in an accessible format for a general audience.
